

We hope you enjoy the **Alleluia Poster**! Below you can find some instructions on how to print out the files.

Instructions:

The approximate size of the completed poster is 20.39" x 14.67".

Printing:

When you print, select either "Scale" and set at 96% or "Scale to Fit (Print Entire Image)." Each page contains "crop marks" that guide you as you cut margins off around the image. You can get an idea of how they work by looking at the below Crop Mark image:

Coloring: Have fun!

Assembly:

Cut: When it's time to assemble, use the crop marks to guide you through cutting off the margins. Please be careful not to cut into the image. This format is designed to meet together when placed side by side, and there is no overlap of images on the paper.

Arrange: Piece together the poster by arranging the images on a large table or floor, as you would a puzzle. Keep in mind you are creating a beautiful, collaborative piece of communal art - not a gallery-ready fine art print (so don't be discouraged if it doesn't line up 100%).

Tape: We recommend focusing on one page at a time as you begin to tape the pieces together. When two pages match and line up to your satisfaction, tape them together. Match the next page, line it up to your satisfaction, and tape them together. Continue until you complete taping all the pages together and make a complete poster.
